PIRATES ABOARD! Admitted Student Day

This fun and informative event is geared specifically toward admitted students. The full day of programming includes time spent with students’ intended major; information sessions from financial aid, housing, dining and student life; campus tours; and additional information specific to transfer students.

Over 200 ECU faculty, staff and current students will be here to answer questions. The morning student fair will provide an overview of the multitude of programs of study, student clubs and activities.

Choose from two dates for this very popular event: Saturday, March 21, or Saturday, March 28. Both days begin on main campus at 8 a.m.

Learn more and register at go.ecu.edu/piratesaboard.

TRANSFER TOURS

We invite transfer students to join us for one of our special Friday or Saturday campus tours. (Transfer students are always welcome to join one of our regular campus tours usually offered twice daily.)

Explore life at ECU. Learn about the transfer process, career services, financial aid, and get an overview of ECU’s degree programs. Meet with select academic program representatives, attend an information session and take a campus tour.

Please note that our information session is about thirty minutes and the campus tour is a walking tour and may last an hour and a half. Check-in begins fifteen minutes before the start of the information session in the Main Campus Student Center.

Please register to attend: go.ecu.edu/transfertours or go.ecu.edu/SaturdayTours.

SPECIAL ACTIVITIES AND EVENTS

TRANSFER ONE STOP DAY
Prospective transfer students are encouraged to attend Transfer One Stop Day on Friday, June 12 from 1:00-5:00 p.m. Staff from areas such as academic advising, financial aid, and the registrar’s office will be available. We will assist your students with the application process, making the best academic choices, transfer articulation and the enrollment process. Optional campus tours are offered at 2:00 p.m. Registration will open in February.

MADE DAY
Invite your students to join ECU on Saturday, February 22, for Multicultural Appreciation Day Experience (MADE). This opportunity will provide your students with a rich multicultural campus experience as they explore student life at ECU. They will learn about planning for college, the admissions process, financial aid and scholarship opportunities. They can explore ECU on a campus tour and discover career opportunities through our extensive offering of majors and concentrations. Learn more at go.ecu.edu/madeatecu. Encourage students to register online, or if you are interested in bringing a group of students to the event, contact Tarrick Cox at coxta@ecu.edu.

PIRATES IN YOUR COMMUNITY COLLEGE
ECU is on the road! Check our transfer fair and community visits at colleges near you this spring. Scheduled visits are listed at go.ecu.edu/eventsnearyou. If you do not see your school on the schedule and are interested in having an ECU counselor visit, contact us via email: transfer@ecu.edu. We also offer class and staff/faculty presentations tailored to topics you may be interested in (transfer requirements, transfer resources, the transfer transition, Pirate Promise, and more).

JOIN THE ECU COUNSELOR ADVISORY COMMITTEE
Each fall ECU invites North Carolina counselors and advisors to attend the ECU Counselor Advisory Committee’s annual two-day conference. Learn more about ECU through presentations from some of our select programs; take a campus tour; and visit the Pirate Academic Success Center for tips and techniques. Contact Patti Clements at clementsp15@ecu.edu if you are interested in joining this collaborative advisory.

TRANSFER STUDENT RESOURCES
Degree plans and transfer course lists are available at: registrar.ecu.edu/transfers. Here you will find degree plans and other resources to discover the best academic pathway for your students.

HELPFUL LINKS

- Transfer Admissions Requirements
- University Scholarships
- ECU online programs
- Degree Explorer
- Pirate Promise

TRANSFER ORIENTATION
Transfer students have two options for orientation: an on-campus orientation OR an online orientation.

On Friday, March 6 and Thursday and Friday, May 28-29 admitted transfer students can get advising and assistance with course registration. In addition, students learn about the resources available to be successful – academically, socially and emotionally. On-campus orientation registration will become available in February. Online orientation is available now through Pirate Port.
Pirate Promise hosted 33 attendees from 16 community colleges and partner schools at #PromiseCon this fall. Participants learned more about the program, ECU majors, campus resources and the ECU Career Services center. An engaging session with a transfer student panel and a presentation from Dr. Michael Harris ended the two-day conference.

COMMUNITY COLLEGE PARTNERSHIPS THROUGH PIRATE PROMISE create a pathway for your students to gain guaranteed admission to ECU while also providing them with pivotal academic and extra-curricular resources at ECU before graduating. The Pirate Promise summer 2020 application opens April 15 and will close June 5. The next application window for fall 2020 Pirate Promise opens August 14 and closes September 14.

Contact us at piratepromise.ecu.edu or via email: piratepromise@ecu.edu.

STUDENT PROFILE

Joseph Ratte, a former specialist in the Army and transfer student from Coastal Carolina Community College says, “‘Patience and Persistence’ has been my motto, getting me through my hard classes in Kinesiology.” He has taken advantage of ECU programs aimed at student success. ECU’s summer Veteran to Scholar Bridge Program assists students with campus culture and developing good study habits. He attributes the Bridge Program and the Pirate Veterans Organization as instrumental in his support and success.

RAISE ME MICRO-SCHOLARSHIPS

ECU has partnered with RaiseMe, a free platform that helps Pell-eligible students earn micro-scholarships for academic and extracurricular achievements throughout high school or community college. When students add achievements to their portfolio on RaiseMe, they may be eligible to earn micro-scholarships from ECU. This program is only open to North Carolina students who complete the FAFSA and demonstrate financial need. See our website for more info.
Do you have admitted students who want to learn more about their intended major? Encourage them to attend one of our special academic tour days. Click each event to register or for a list visit go.ecu.edu/admitteddays.

**SCHOOL OF ART AND DESIGN**
Explore the school that will help your students develop and refine their creative skills. (Register at art.ecu.edu/visit)
*January 31 and April 3*

**COLLEGE OF NURSING**
Discover our professional facilities, attend an admissions info session and tour the ECU campus.
*February 7, April 24*

**COLLEGE OF HEALTH AND HUMAN PERFORMANCE**
Learn about the vast professional career options that this diverse college offers - from social work to kinesiology.
*February 21*

**THOMAS HARRIOT COLLEGE OF ARTS AND SCIENCES**
This event will include departmental info sessions, lab tours and the opportunity to hear from current students.
*February 21 (STEM focused), February 28 and April 17*

**SATURDAY ADMITTED STUDENT DAY: TOUR & INFORMATION SESSION**
This informative event is for admitted students and their guest. Students will get assistance on their next steps in the enrollment process and an information session followed by a campus tour. Registration will open later this spring.
*May 16 | 10:00 a.m. - Noon*
See what ECU athletics is all about at ECU vs USF. Baseball tickets will be available for the 1 p.m. game (student + guest).
