Affordability

ECU consistently provides a high-quality, affordable education. Through scholarships, financial aid and opportunities such as the Honors College, our students can concentrate on their course work as they receive financial assistance. Visit [www.ecu.edu/admissions/afford](http://www.ecu.edu/admissions/afford) and the websites listed below for more information.

Completing an Application

A complete application for freshman admission includes the following:

- A completed online application via our website or the Common Application
- Nonrefundable $75 application fee
- Official high school transcript, including senior year courses in progress and current grade point average on a 4.0 scale
- Transcripts from all postsecondary schools attended, including community college dual enrollment
- Official SAT and/or ACT scores  
  (Please make sure that all test scores are sent directly from ACT or College Board.)

ACT Code: 3094  |  SAT Code: 5180

Fall 2018 Freshman Profile

For the fall 2018 semester, we received nearly 20,000 applications for an incoming class of 4,400. The middle 50 percent of academic credentials for applicants offered admission are as follows:

- Unweighted GPA: 3.10–3.41
- SAT: 1070–1190
- ACT: 19-24

Students come from all 100 North Carolina counties, all 50 states and 44 countries.

We are the only university in North Carolina with engineering, dental medicine and medicine at the same institution.

We boast the largest colleges of business and allied health sciences in the state.

We produce the largest number of education professionals in the state.

We train the most new nurses of any of North Carolina’s four-year institutions.

Total Enrollment 29,131

Undergraduate Students 23,265
Nine Recommendations to High School Counselors

1. Visit the Counselors page at www.ecu.edu/admissions/counselors.cfm for up-to-date high school counselor information. If you're not already signed up for our email list, subscribe here.

2. Have students create an undergraduate Admissions Portal account at www.ecu.edu/admissions.

3. Recommend our Honors College to your high-achieving students. Visit www.ecu.edu/honors to learn about opportunities and admissions requirements. Students must apply to ECU by November 1 to be eligible for the Honors College.

4. Encourage students to use our Application Checklist – via their Admissions Portal account – to track the status of their application.

5. Learn more about scholarship opportunities by visiting www.ecu.edu/universityscholarships. The university scholarships deadline is January 15, 2019. Students should apply to ECU no later than December 15, 2018.

6. Encourage students who are unsure about what they want to study to visit Degree Explorer at www.ecu.edu/degrees and research all the academic programs ECU has to offer. Degrees can be searched for by major, coursework, career type and other factors.

7. A great resource for students who have a major in mind is www.ecu.edu/advising. This website provides assistance with academic degree planning.

8. Students using a College Board fee waiver will enter the 11-character number into our application. Those using an ACT or NACAC fee waiver will mail their forms to the admissions office.

9. Campus visits are one of the most valuable tools available to prospective students and their families. Please direct students to the Visit page at www.ecu.edu/admissions/visit to register online and access more info to help plan their trip.

Undergraduate Majors and Selected Concentrations

A detailed listing of East Carolina University's bachelor-, master-, and doctoral-level programs, including those offered through the Brody School of Medicine and the School of Dental Medicine, can be found on ECU's Degree Explorer at www.ecu.edu/degrees. For more information, see ECU’s academic catalogs by clicking the “University Catalogs” link at registrar.ecu.edu.
