FALL OPEN HOUSE

Learn what East Carolina University is all about at our Open House event on Saturday, October 1 beginning at 8:30 a.m. Transfer students can discover our academic departments by talking with ECU faculty and staff and attend sessions about updated admissions requirements, financial aid, and housing. In addition, current students will share their experiences and answer questions about student life and more.

Transfer students will learn about their next steps in the admission process and have the chance to meet with admissions counselors. Sessions will also be offered on choosing a major among ECU’s 87 bachelor’s degrees. Campus tours will be available.

Open House is for all prospective students and their families and friends. Find detailed information and register at admissions.ecu.edu/visit/open-house.

THANKFUL FOR TRANSFERS ADVISORS SESSION

We invite you to join fellow advisors interested in learning more about East Carolina University in this special Transfer Virtual Information Session on Thursday, November 17, from 2-3 p.m. We will discuss our academic programs, the application process, campus housing and dining, financial aid and scholarships, and much more. The information session is about thirty minutes and will be followed by a Q & A session, where you will be able to have your questions answered by our Admissions staff.

Taking Flight

ECU engineering students are working with Havelock’s Fleet Readiness Center (FRC) East as part of the new Engineering Developmental Assistance Program. They gain valuable experience through paid internships while providing FRC East with a future workforce of needed engineers.

Student Tristan Wagner says, “I’ve had to have full conversations with structural analysis engineers, materials engineers and electrical engineers on how to solve one problem. The degree that I’m getting at ECU makes me knowledgeable in all these areas.”

The depot counts more than 800 engineers among its nearly 3,800 employees and FRC East is the largest single employer of ECU engineering graduates.

Make an easy transition with Pirate Promise

Pirate Promise provides information and support to community college students planning to enroll at ECU. Pirate Promise is now enrolling students at 41 community colleges across NC.

Pirate Promise is a pathway for community college students to participate in ECU before graduating from partner colleges. Students enjoy waived transfer application fees and access to many ECU resources. Learn more: piratepromise.ecu.edu or contact us via email: piratepromise@ecu.edu.

Encourage FAFSA

Nationwide, fewer students are applying for the FAFSA—the key to grants and federal aid. File the 2023 FAFSA early to ensure faster processing in determining eligibility for federal, state and ECU aid programs. ECU’s priority deadline is March 1. Students may apply for aid before receiving a decision from admissions; however, no notification of award will be made until the student has been admitted to ECU. To ensure that ECU receives the FAFSA information, use ECU’s Federal School Code 002923.

NC Residency

To be considered an in-state resident for tuition purposes, students must verify their residency through the NC Residency Determination Service at www.NCresidency.org. Encourage students to enter their RCN when filling out our application.
Special Activities and Events

October 17 - 21 is National Transfer Student Week

Prospective transfer students are encouraged to visit our social media during this week and attend our virtual Transfer Academic Day on Friday, October 21. Learn about academic choices, transfer articulation, and about the enrollment process.

I AM Main Campus Student Center Saturday, November 12

I AM focuses on celebrating diverse and intersectional identities among prospective students with their family members. I AM offers a space for your students to learn about the resources and organizations at ECU that are salient to their many identities. I AM is inclusive to students from all identities, and here are a few of the many identities that will be present in the space: Latinx, Black, Indigenous, Asian, LGBTQIA+, First-generation, students from low-income households, and students from rural communities.

Students may register at go.ecu.edu/IAM. To register a group of students for this event, contact Yanira Campos at camposy22@ecu.edu or 252-737-1246.
