WE ARE HERE FOR YOU

During this unprecedented time, ECU Admissions is reaching out to let you know that we are still “open” and able to assist you and your students with any questions about the admissions process. Our admissions counselors continue to reach out to your seniors via text, calls, and virtual webinars. We are also still answering phones and emails, picking up mail, and processing high school and college transcripts. We also understand that circumstances for your students may have changed over the last few weeks, so we are encouraging your students to reach out to us if they are having issues with paying the enrollment deposit for this fall. Our office has a new process for requesting a deferral for this payment if students need more time. We have also extended our deadlines to allow your students additional flexibility.

We continue to be here to serve you and your students, so please let us know if we can assist.

Stephanie Whaley, Assistant Vice Chancellor, Director of Admissions

Please visit our website at admissions.ecu.edu for details about these and additional dates.

YOUR COUNSELOR

Our team members are available to answer questions and assist you via phone, email, text and online chat. Students can contact their personal admissions counselor by using the Find Your Counselor online tool. Or contact the Admissions office in general at admissions@ecu.edu or 252-328-6640.

ACADEMIC DAYS

ECU Academic Days have also been interrupted. Juniors and sophomores can learn more about these areas online:
- Honors College (check for upcoming sessions)
- College of Education
- College of Nursing
- College of Engineering and Technology

CAMPUS TOURS

Daily campus tours have been suspended for the time being, but we encourage students to explore our virtual tour from home! Or, while practicing social distancing, families can pick up a free self-guided tour brochure from the porch of the Whichard Building and tour campus on their own.

APPLICATION REMAINS OPEN UNTIL MAY 4

Our application for freshman admission for Fall 2020 remains open. Find information on applying at admissions.ecu.edu/apply. Students should first create an online Navigator account to begin the admissions process. Over 22,000 students have applied for the Fall 2020 freshman class of 4,400.
**What Juniors Should Know:**

- Don’t worry about the canceled spring SAT and ACT dates. There will be opportunities to take these tests in the fall and still meet application deadlines.
- ECU will work closely with the K-12 school systems to ensure there is a fair and consistent review of your junior grades so that your students are not penalized during the freshmen admissions process.
- ECU will be participating in CFNC’s “Apply to College Week” by waiving our $75 application fee so that you can apply for free during that special week.
- Although our campus isn’t offering campus tours right now, you can still visit us virtually at admissions.ecu.edu/virtualtour. You can also create an ECU Navigator account at navigator.ecu.edu so that you can be among the first to be notified when campus tours reopen.

**Response to Revised UNC System Admissions Requirements**

The UNC System has announced new admission guidelines and with the cancellation of the spring ACT and SAT sessions, we have made the decision to reconsider select applicants from our Fall 2020 pool for admission. The students being reconsidered must demonstrate a strong academic performance in high school. We will reach out to students whose admission decision is revised; no action is required on their part in order to be reconsidered. For questions about the reconsideration process, please contact the Office of Undergraduate Admissions at admissions@ecu.edu or at 252-328-6640.

**Admitted Students**

Both on campus Pirates Aboard events and all Admitted Student Academic Days have been canceled. We hope your students will visit the Pirates Aboard Online website for much of the information, resources and answers they would have received at our in-person events.

Join us on Facebook and Instagram Live for a Campus Living Q&A, residence hall tour, Q&A with current students, and more. Check the Pirates Aboard Online website regularly for updated schedule of events.

Encourage your students to join the Class of 2024 Facebook group to connect with their fellow classmates! (for admitted students only)

**Students Enter to Win: Show your Pirate Pride**

Enter the #PirateNationBound contest for admitted students for a chance to win a $500 scholarship! Share photos on Instagram or Twitter using #PirateNationBound (public accounts only) or email your entry to socialmedia@ecu.edu. Open to students admitted for Fall 2020. Enter by April 30th at 8pm.
