PIRATES ABOARD! Admitted Student Day

Each year, our Pirates Aboard Admitted Student events are an important part of showcasing ECU and our campus to admitted students. Encourage your students to attend Pirates Aboard on Saturday, March 26. While at the event, they will participate in a full day of sessions including time spent with future classmates and faculty from our eight colleges, representing 87 bachelor’s degrees. Students will have the opportunity to take a walking tour of campus, visit residence hall neighborhoods, and explore campus. We will also offer special sessions on important topics such as Admitted Student Next Steps, Academic Advising, Transferring to ECU, Campus Living and Dining, and more! All admitted students are encouraged to attend.

Register at go.ecu.edu/piratesaboard.

If students are unable to attend our main Saturday event, colleges are also hosting Admitted Student Fridays:

**Friday, February 25** – Thomas Harriot College of Arts and Sciences, College of Health and Human Performance, and College of Education

**Friday, March 18** – College of Engineering and Technology, Thomas Harriot College of Arts and Sciences, and College of Allied Health Sciences

**Friday, March 25** – College of Nursing and Honors College

**Friday, April 22** – College of Business, School of Communication, School of Art and Design, School of Music, and School of Theatre and Dance

Learn more and register at go.ecu.edu/admittedfridays.

ECU RECOGNITION AND RANKINGS

- Newsweek - First in NC and #6 nationwide
- The Princeton Review: 2022 Best 387 Colleges
- Ten-time recipient
- Top Colleges for Diversity
- Higher Education Excellence in Diversity Award

APPLY NOW!

Interested students for Fall of 2022 should apply now. Our Fall 2022 class is filling up quickly, so students should get their application in as soon as possible.
Latinx Day
We invite you and your students to join AMEXCAN and ECU’s Admissions team for Latinx Day on Saturday, April 23. Students will learn more about East Carolina University and how to access our 175+ degree programs. Hear short presentations about the Honors College, admissions process, financial aid & scholarships, and other campus resources. We will also have a Q&A panel session with current students, alumni and parents to answer all your questions. Register at go.ecu.edu/latinx.

Learn more about ECU in Spanish at our website admissions.ecu.edu/explore/ecu-en-espanol. If you have questions or need assistance contact Justine Okerson at okersonj21@ecu.edu.

Virtual Info Sessions
Undergraduate Admissions Virtual Information Session
We invite you and your students to join our Admissions team for a virtual info session. You will learn more about East Carolina University, our academic programs, the application process, campus housing and dining, financial aid and scholarships, and much more. The information session is about thirty minutes and will be followed by a Q & A session, where students will be able to have questions answered by an Admissions Counselor. Register at go.ecu.edu/virtualinfosession.

Honors College Academic Day
Your students can join fellow prospective students in learning about ECU’s Honors College at these on-campus events. Learn about the amazing benefits and opportunities from current students who will share their experiences and answer questions. An information session will cover the application, specific scholarships offered, and the Honors College Living Learning Community. An optional guided walking tour of campus is also available. On select Mondays 10:00 a.m. - 2:00 p.m. Learn more and register at go.ecu.edu/academicdays.

New Life Sciences and Biotechnology Building
ECU’s new 141,500-square-foot Life Sciences and Biotechnology Building is open to serve as an interdisciplinary research space for faculty and students. It is the new home of ECU’s Department of Biology, which instructs 17,000 students each academic year. Dr. Allison Danell, professor of chemistry and dean of the Thomas Harriot College of Arts and Sciences, said students would be conducting research that would have far-reaching impacts on the region, such as a $5 million federal grant that examines water-related issues for coastal communities.

The four-story building on the corner of 10th and Evans streets will also be home to the new Eastern Region Pharma Center. This collaborative center is working with five regional community colleges and 15 pharmaceutical companies to develop a workforce for this growth industry.
ECU VIRTUAL COUNSELOR CONFERENCE
FRIDAY, FEB 11, 9:00 a.m.–1:00 p.m.

Please join us virtually for a half-day counselor conference highlighting how ECU is supporting students navigating the challenges stemming from the COVID-19 pandemic. Hear from our Pirate Academic Success Center, the Center for Counseling and Student Development, and the Office of Disability Support Services. We’ll also discuss resources for first-generation students.

Counselors who register and attend will receive swag in the mail! Feel free to attend for all or part of the event. Post-session recordings will be shared with all registrants.

Register at go.ecu.edu/counselorconference. We hope you can join us!

Find additional counselor resources on admissions.ecu.edu/connect/counselors.
